Straight Arrow Camp is debt-free. The camp is not funded by any group, church, or organization. The camp operates strictly from registration fees charged to the campers from our summer camps and year-round retreats. All donations are accepted and appreciated and tax deductible.

### **Camp History**

Straight Arrow Camp is a non-profit Private Camp located on the shores of Lake Texoma in Pottsboro, Texas. Situated among 50 acres of beautiful trees and lakeshore on Corps of Engineers property. The camp hosts its own summer camp and leases camp throughout the year with retreats. The camp was established and incorporated on April 23, 1953 as a non-profit and noncommercial organization. Straight Arrow Camp is entirely staffed with volunteers.

### **Camp Mission**

The mission of Straight Arrow Camp has been the same for 63 years. "To provide boys and girls with both physical development and spiritual training in a summer camp environment." The goal is to instill a sense of values and responsibility at a time when much of what they see and hear teaches them the opposite. It is through this that we hope to have an impact on their lives to help them become strong, well-rounded adults who see the world around them in a responsible light. We strongly feel that the training of youth today will significantly impact their future world in a positive way.

### **Recreational Facilities**

The camp has softball, basketball, sand volleyball, soccer, ping pong, tetherball, hiking, fishing, canoeing (special exception only), swimming (no lifeguard on duty, swim at your own risk)
